

# Operator Trainer (all genders)

📍 Wiener Neustadt

🕒 Fulltime

The Schiebel Group of companies is a world-wide high-tech electronic enterprise for Unmanned Air Systems (CAMCOPTER® S-100) and Mine Detection Systems.

## Your Duties:

- You will organize and conduct training courses in the area of flight operations (theory and practice) for our customers and employees.
- This also includes the creation, further development and updating of training material and corresponding documentation.
- Assessing and evaluating the individual performance progress of students is also part of your duties.
- You will conduct student evaluations and specific training examinations.
- You will also maintain and develop training standards, adapting them when required to ensure compliance and the highest quality.
- You will conduct worldwide business trips, required to support our customers training and continuous education.
- In addition, you will independently develop your knowledge and skills in the area of the CAMCOPTER® S-100.

## Our Requirements:

- You have knowledge and understanding in the field of manned and/or unmanned aviation.
- In addition, you already bring extensive training experience in the area of technology, ideally in aviation.
- You will act as a role model for your students.
- You have a genuine interest in the success of others.
- Business trips of up to 30% per year are a benefit for you.
- You are self-driven concerning Continuous Professional Development and eager to increase your knowledge and your skills.
- You also have very good communication and presentation skills.
- You work in a goal-oriented, responsible and independent manner.
- Respectful interaction with colleagues, customers and foreign cultures is a matter of course for you.
- You also have a very good command of written and spoken English.
- If you have a PPL or CPL FI, this is an advantage.

## What we offer:

- Varied work in the field of unmanned helicopters
- Dynamic environment with team spirit
- Benefits like sports offer, meal subsidy, fresh fruits and employee events
- Individual training opportunities
- Flexible working hours and the possibility to partly work from home office
- We take work life balance seriously!

The annual gross salary is based on the applicable Collective Agreement of the Metal Trade for salaried employees. There is a willingness to overpay depending on your qualifications and work experience.

Diversity in our team and working without discrimination are important to us. We actively support diversity in terms of personal backgrounds, perspectives and experiences. We therefore encourage people of different genders, backgrounds, ages, abilities and religions to apply.
